WITH HIS DIVINE BREATH, THE ALIEN PASSED HIS RING AND BATTERY OF POWER TO JORDAN—

INDUCTING HIM INTO THE GREEN LANTERN CORPS, ONE OF THE GUARDIANS OF THE UNIVERSE.

AS A GREEN LANTERN, JORDAN USES HIS INCREDIBLE POWER TO DEFEND NOT ONLY OUR WORLD, BUT ALL OF SPACE SECTOR 2814—

CREATED BY FREDERICK BRANTLEY WALTER, JOHN STEWART AND BACKED AS NEEDED BY THROUGHOUT KNOWN AS THE "JURY" OF THE DARKNESS OF EVIL AND CHAOS.

CAPTAIN HAL JORDAN, U.S.A.F., MADE HIS REP AS THE MOST COURAGEOUS—AND MOST EXPENSIVE—TEST PILOT ALIVE.

LITTLE DID HE REALIZE HE WAS UNDER HIS ONLY POWER.

SELECTED AMONG ALL ENLISTEES FOR HIS EARLY SERVICE AND PROMISES, JORDAN WAS SUMMONED TO A REMOTE LOCATION AND INTO THE REMAINS OF A CRASHED STARSHIP.

INSIDE, JORDAN FOUND A MOUND OF GREEN RINGS AND PEACEKEEPING FORCE.

POWERS AND WEAPONS:

Green Lantern is armed with a ring the abilities of which are limited only by his imagination and will power.

Chiefly, the ring is used for anti-gravity, to unleash torrents of energy, to translate alien dialects and to create hard-light replicas of any shape. Though it has in the past been unable to affect yellow-colored objects, this incapacity has since been overridden by Hal's will.

The ring must be periodically recharged by contact with a Power Battery which, in turn, draws energy from the Guardians' Central Power Battery on the planet Oa.
